

# ONE DREAM

*"Imagine a world where differences don't matter. We believe it can happen"*

M. Turco

Dear Friends,

Blue Veil Ministry would like to welcome you back for another exciting school year and encourage you to **pre-book** your school today and be part of a 'Powerful Musical Experience', and/or **Retreats**.

Blue Veil conveys to students a message of anti-bullying and character building, with specific emphasis on each month's virtue and character formation through contemporary and Christian Rock music.

Starting September 2009, and running throughout the 2009-2010 school year, Blue Veil Ministry is pleased to announce its newest and most powerful performance yet called; **"One Dream"**

Our **NEW** theme title **"One Dream"**, was inspired by a painting from one of our very special campers and artist named, Michelle Turco. Blue Veil had the pleasure of coming to know Michelle and her brother Jonathan this summer as they participated in our Sara Elizabeth Centre Summer Camp program. On the last day of our summer camp, Michelle touched us deeply as she presented us with a beautiful copy of one of her own paintings entitled **"One Dream"**.

The 'hand of hope' as I call it resembles a candle that shines and lights up the dark blue sky. Michelle's painting invites us all to live the words she inscribed under her painting,

*"Imagine a world where differences don't matter. We believe it can happen".*

We must not let our differences stop us from believing in ourselves and in others

Blue Veil invites you to join us in this ONE DREAM as we enter into our 4<sup>th</sup> year of reaching out and serving the needs of youth. Through the 'arts' primarily music, gospel values of giving, sharing, loving and reaching out to be a companion in need and a blessing and encouragement to others is taught. We have found that this style of teaching, praying and rejoicing through music is an effective tool that reaches everyone regardless of their age, race and ability. To date we have had the opportunity of uniting with over 200,000 young people as we continue to build and expand upon the moral and spiritual education of today's youth and encourage them to believe.

Please contact us to book any one of our 'LIVE' Stage Musical Performances or Retreats today or fill out the booking form found on our website: [www.blueveil.org](http://www.blueveil.org).
